6. Staff should assist IVCSs in identifying viable business opportunities, improving operational efficiency, and accessing relevant schemes or financial support.
7. Each staff should identify training needs and coordinate with SPMU to facilitate necessary training

8. Staff must document success stories, innovations, and challenges faced by IVCSs to inform future planning and policy decisions.
9. Monthly progress reports must be submitted to the SPMU IGA team, highlighting key developments, interventions made, and outcomes observed as per the template at **Annexure III**
