Dated: Shillong, the 28th Nov, 2025

Office Order

Sub: 1st Phase Social Audit of MegLIFE Project Villages

The MegLIFE project has completed its third year of implementation in collaboration with the VPICs formed in the project villages. As mandated, projects implemented by the MBDA must undergo a social audit conducted by the designated Social Audit Society, the Meghalaya Society for Social Audit and Transparency (MSSAT).

Accordingly, the MegLIFE Project and MBDA have signed a MoU with MSSAT to conduct a social audit of all 460 villages under MegLIFE for the years 2025 and 2028.

The social audit for 2025 for all 460 villages will begin in December 2025 and be completed by March 2026 in four phases. In the first phase, the social audit will be conducted in 150 selected villages across the districts.

A list of the shortlisted villages is enclosed for your reference.

The social audit will be carried out by the Social Audit Facilitators from MSSAT. They will hold meetings with the village community to explain the objectives and processes of the social audit. Local committees will also be formed to assist in the social audit. Under the Social Audit Committee, three types of verifications will be conducted: Record Verification, Verification of Worksites/Infrastructure, and Verification of Beneficiaries through personal interviews or Focus Group Discussions (FGDs).

Based on the findings, a draft report will be prepared. This report will be presented by the Social Audit Committee in a public hearing during the GB meeting for validation and will also be shared in a public hearing at the district level.

The village-wise Social Audit Report will then be sent to the SPMU, MegLIFE for action on the recommendations or corrective measures outlined in the report. The SPMU, with the assistance of DPMUs, will prepare and submit an Action Taken Report to MSSAT.

In view of the above, all DPMs are requested to prepare the listed villages for the audit in all aspects and ensure the smooth execution of the social audit in the project villages.
