OFFICE ORDER

Sub: Amendment to Procurement Guideline for VPIC Plantation

As decided during the DPMU Review Meeting held from 28th April to 2nd May, 2025, at the SPMU, the following amendment is hereby made to the procurement guideline for VPIC plantation:

Amendment:

Considering the time sensitivity of the plantation activity and the short window period for planting seedlings by June 2025, as well as challenges faced by the community in fulfilling procedural formalities for procurement within a short period of time, the DPMs are hereby delegated the authority to procure seedlings observing procedural formalities of procurement and supply the same to the VPICs as per requirement.

This delegation is aimed to ensure timely completion of plantations and for ensuring its long time survival

All DPMs are directed to take note of the above amendment and act accordingly with immediate effect.
